

Urgent Geriatric Clinic Appointment Information

You have been referred to the **Geriatric Clinic** for follow up from your visit to Royal Victoria Regional Health Centre. Your clinic appointment is:

1. The Geriatric clinic is located in the Medicine Treatment Clinic area. Enter the building at the Atrium entrance. You need to register for your first appointment at Central registration then follow the blue line to the Atrium elevators. Take the elevator to the first floor, when exiting from the elevator follow the signs to the Medicine Treatment Clinic area.
 2. You will see the Geriatric Nurse Practitioner at your first appointment. You will be scheduled for a second visit with the nurse practitioner and geriatrician, Dr. McKenzie. For the second visit, you need to register on the first floor at the Treatment Clinic Recurring Registration which is across the hall from the Medicine Treatment Clinic.
- Please bring a friend/family member, your health card and your medications in the original bottles. You will be at the clinic for approximately 1 to 2 hours. If you can not attend the appointment, please call and cancel/reschedule.
